#### A GOOD GAME OF BALL

Earlington Scouts Defeat Madisonville Scouts in Eleven Inning Game

In a game which required eleven innings to decide the winners, the Boy Scouts defeated the Scouts of Madisonville Monday afternoon, the score being 4 to 3. The result was in doubt until the eleventh inning, when, with two men on bases Gennane made a two base hit for the local team. There were some splendid plays made by both teams. The batteries, Chandler and O'Bannon, for Earlington, Hayes and Langley for the visitors are evenly matched, both being uniformly strong. These two teams have played three games together, Earlington winning each time, and they have been games well worth witnessing. They will play again in Madisonville next Monday afternoon.
